## CONDITIONS OF ENTRY

The deadline for entry into the Melbourne Underground Film Festival this year is to be found on the MUFF main website page. All entrants must have sent their completed entry form, entry fee and film to MUFF by this date, along with any supplementary material which may apply to the entry (e.g. stills, press kits, posters, etc.) Please note that the entry deadline will not be extended - outside some offers on entry platform websites like Withoutabox.

Please send all entries to the following address:

Melbourne Underground Film Festival 6/122 Inkerman Street, St Kilda. VIC 3182, Australia

The entry fee for all submissions to MUFF is \$50 AUD. MUFF will also accept some payments in cash in the case of international entrants (only when a money order is difficult to obtain). MUFF can accept the following cash payments: \$40 USD or \$35 Euros. Please make any cheques or money orders payable to the Melbourne Underground Film Festival.

MUFF will accept and screen films from DVD only, sometimes Blu Ray. The DVDs can be set to any DVD format or region. Films entered on any format other than DVD and Blu Ray will not be considered.

It is the filmmakers' responsibility to cover any necessary shipping charges attributed to the entry of their film into MUFF. Please do not send the original or only copy of your film for consideration – MUFF will not return preview or screening tapes unless you include a return stamped envelope.

MUFF acknowledges and confirms that you (the entrant) have granted our festival the right to publicly exhibit your film. MUFF hereby declares that we will take the utmost care of but no responsibility for your film whilst in the festival's possession.

MUFF also acknowledges that if accepted into the festival, you (the filmmaker) grant MUFF the right to publicly promote your film in all festival promotional materials as appropriate, and furthermore that you grant MUFF the right to show your film to the MUFF creative staff, members of the jury, and other festival affiliates and personnel throughout the course of the festival. You also hereby confirm that all necessary permissions have been obtained to enter this film in the Festival and that the film does not infringe the rights including copyright of any third party.
